Clear Lake Youth Athletic League

Clear Lake area boys and girls in grades Kindergarten through seventh grade get together for baseball and softball every Monday through Friday; four-year-olds tee up the ball in the Saturday morning Rookie League in June. The season starts after Memorial Day and comes to a close around the first week of July. The CLYAL field complex is located just north of Lions Field in Clear Lake with four diamonds for each age group. T-Ball and Pee Wee, Major League, Babe Ruth and three divisions of softball complete the summer experience. Each participant receives a T-shirt from local sponsorship. Registration begins in early March and extends through April. All are encouraged to participate and no child will be turned away because of family income or late move-ins. **For more information, registration forms and a list of sponsors, check www.clearlakeyal.com.**
