

Disc Golf Courses

Opportunity Village Clear Lake campus 18hole course, located on Village Road, north of Highway 18. This course was paid for through a donation in memory of Darrell Hier, an avid Clear Lake golfer. The Opportunity Village disc golf course is open to the public, free of charge. You'll need to bring your own discs. The first hole is located at the west end of the north parking lot. If anyone has used discs they'd like to donate for Village use, they can be dropped off at the Village reception desk.

Outlet Recreation Complex 9hole course, located at the Outlet Recreation Complex (ORC). This course is scheduled for completion in late spring early summer. The first tee will be located near the S. 17th St. Parking Lot. The object of disc golf is to make the fewest number of throws to land a flying disc in a chain basket. It's a popular outdoor game.
