

Come use the Outlet Recreation Complex (ORC) new amenities

The long awaited Dog Park has been completed and is scheduled to open Memorial Day 2016. The Dog Park includes a designated and separated area for both large and small dogs. Other amenities to the Dog Park are being planned and continued fundraising and donations will be needed to complete the planned amenities. Work will be continually ongoing to improve the turf/athletic field areas of the park. With more cooperation from Mother Nature, the site should be useable with improved playing surfaces for fall programs and activities again this year. The installation of a 9 hole disc golf course will be occurring this Spring/Summer. In addition the O.R.C. will be continually seeing improvements to the park. Improvements such as: shelters for picnics, playground, tree planting etc. would be an excellent opportunity for any community members or organizations to make a

lasting contribution to the community (Eagle Scout or civic group projects).

If you are interested in helping make these plans a reality by fundraising or volunteering contact the Parks and Recreation Department at 641-357-7010 for more information or additional ideas.

Dog park donations can be made payable to:

"Friends of the Outlet Recreation Complex."
Contributions can be sent to:
Clear Lake Parks and Recreation Department
