Lifeguarding Class for Future Lifeguards

The American Red Cross Lifeguarding course teaches candidates the knowledge and skills needed to prevent and respond to aquatic emergencies. The course content and activities prepare candidates to recognize and respond quickly and effectively to emergencies and prevent drowning and injuries. Successful completion

requires participation in skills practice. Practice sessions will require some strenuous physical activity. If a medical condition or disability exists that might prevent participation in the activities, or there are questions about fully participating, contact P&R before the course begins. Upon successful completion, each participant will receive an American Red Cross Universal Certificate indicating Lifeguarding/First Aid, which is valid for 2 years, and an American Red Cross Universal Certificate indicating CPR/AED for the Professional Rescuer, which is valid for 2 years. To enroll, you must be at least 15 years of age before the last scheduled class session.

DATES: A spring certification course will be in March/April. The course will usually meet one time during the week and on the weekends. Class times and dates will be available in late February, call 357-7010 to sign up and for details.

COST: \$150-170 Space is limited. Class size 10 students (2 alternates may do the pre-course swim in case someone does not pass the swimming or brick test.)
